

Bonfield Public Library

Strategic Plan 2024 – 2028

Our Vision

We strive to be the welcoming heart of our community where all can learn, discover, create and connect

Our Mission

The Bonfield Public Library offers a safe place for residents to come together. A place of empowerment, for creativity, innovation and learning.

Our Values

- Promote literacy
- Inspire creativity, innovation and lifelong learning
 - Ensure inclusivity, accessibility and diversity
 - Engage our community
 - Accountability
 - Centre for research
 - Excellent Service

Our Goals

Goals need to be specific, quantifiable targets in order to achieve the Library's mission and objectives.

1. Increase the active membership yearly
2. Create a safe space where people can come together, to share ideas, grow and participate in ongoing learning.
3. Provide more outreach programs in the community through volunteers and community leaders
4. Engage the community in sharing ideas, inspiring others and growing.
5. Provide programming for all ages
- 6 Committed to delivering business services, connectivity and equipment

Implementation Plan

1. Increase membership

Keeping current, Joint Automation Service Integrated (Jasi) – Inter Library Loan program (ILL), Overdrive, Workshops held in the Library, Little Free Library, Continuous Improvement process by the Board, newsletters, social media

2. Create a space.

Workshops, ongoing and variety, TD Summer Reading Program, Storytime, Tech Centre, Business Services, Virtual Library, Inter Library Loan (ILL), ongoing new titles

3. Community outreach

Workshops, Social Media, Little Free Library, Programming

4. Engage community

Social Media, providing various events for all age, host workshops, Education session, participate in Community Functions.
