INTRODUCTION

History indicates that By-Law 9-73 of the Town of Bonfield establishing a Public Library. The official opening of the Public Library was held September 7, 1977. In August 1982 the Public Library which was housed at St. Jeanne D'Arc School in the village of Bonfield made preparation to moved to today's location at the Municipal Office, 365 Hwy 531, Bonfield, Ontario P0H 1E0

The Bonfield Public Library measures 1,702 square feet. The carpet and floor tiles where replaced in June 22, 2006 by Bay Flooring Ltd. Valued at \$3,932.50 This project was financial reimbursed with a Trillium Grant.

At the outside main entrance a secure book return box is available to patrons. A 24 inch x 32 inch universal Library logo sign valued at \$150.00 is fixed on the outside wall at the main entrance. A ramp was installed in 2006 by Marc Beaudoin Construction with financial aid of Trillium in the amount of \$1,500.00, the ramp was replaced in 2018 when the parking lot was repaved. In that same year (2006) a new push-button handicap automatic door opener was installed by NGM (Northern Glass and Metal Ltd) in the amount of \$1,924.40 plus the electrician Mr. Norm McLeod at \$148.20. August, 1999 Michel Savage from Mike's Construction removed an interior load bearing wall at a cost of \$4,119.50 plus Arch Engineering Ltd. was paid \$575 for the design and plans to extend the library from a two room setting to a one room open concept, funded through a NECO grant. November 28, 2001 Sagebrush – Technology was paid \$2,459.46 for the purchase of a automation software. Motion 15-17 was adopted on March 2, 2015 to join OLS-North Joint Server (JASI) Integrated Library System powered by SirsiDynix.

The Facility is protected with a security system installed in September, 2001 to secure the contents of the building, today's provider is "Security Today".

The Bonfield Public Library houses four public computers and three administrative computers with high speed internet . Bandwidth speed 10 Mbps Download speed and 1 Mbps Upload Speed

Electric heat is the source of heating for the Library.
