

The Bonfield Public Library Now Offers A Rod and Tackle Share Program

We're excited to announce our newest program, available to the Bonfield Public Library card holders; you can borrow an **Ice Fishing Equipment Kit** for up to one week.

Kits contains:

- 6 Gallon Pail with Jig Box & cushioned seat
- Pail Wire Combo Rod Holder
- Two Ice Lures
- Two Glow Treble Hooks
- Poly Flex Ice Skimmer
- Four Removable Split Shots
- Depth Finder
- Three Tip-up Line markers

Obtaining your Fishing Licences and Outdoors Card is the responsibility of the individuals checking out the equipment (a requirement by the Province of Ontario). If you are under 18 years old, 65+, a Veteran or Active Canadian Armed Forces member you do not need to purchase an Outdoors Card or licence to fish. However you will need to carry identification with you. If you wish to just try ice fishing for one single day only, you do not need an Outdoors Card – but you will need a one-day sport fishing licence. You may purchase the required licences online or at a Service Ontario Location. Please check the ice condition before heading out.

This program is made possible thanks to the generous donations of the Greater Nipissing Stewardship Council and Dowdal Cabinets in memory of Aaron Purtell.

Experience the thrill and excitement of landing a catch!
